8.1 Qualification Round

Tie-breaks will be conducted in the following manner:

- b. Greatest number of X's (inner 10's)

If athletes are still tied after applying the above, a coin toss will decide the ranking.

8.2 Elimination Round

A single arrow will be shot for score. If there is still a tie, the arrow shot closest to the centre of the target face will resolve the tie; or successive single arrow nearest-to-the centre shoot-offs, until the tie is resolved. In alternate shooting, the athlete that shot first in the match will start the shoot-off.

9 JURY OF APPEAL

The Jury of Appeal shall consist of the Competition Manager as the Chairman, and two (2) additional members shall be selected from among the Team Managers who has no judicial interest among the disputed teams.

10 APPEALS AND PROTESTS

A Chairperson of Judges' (CoJ) will be appointed to oversee the technical aspects of the competition. It will be responsible for considering any technical complaints or dispute and acting when necessary. A Judge's decision is final with respect to the value of an arrow in a target. All disputes must be resolved before any arrow has been removed.

With the exception of the value of a judged arrow and the decision of a Judge to raise a yellow card, an athlete can appeal against any unfair issues that were not according to the WA Rules and that the decision or action was an interpretation or decision of the Judge.
